

Sharon Bell Biography

I am a member of the Costume Society of America, and have catalogued two museum costume collections. I have been a reenactor since the 1980's, and ran a business making researched period clothing for reenactors for several years.

I have been participating in the Battle of Plattsburgh event since it began, and have worked on event registration, coordinated a fashion show and helped with event logistics. I am a board member of the Kent-Delord House Museum, a DAR member, and historian of the Commodore Thomas Macdonough Chapter of the National Society United States Daughters of 1812. One of my ancestors served in the Essex County Militia at the Battle of Plattsburgh.

I can be reached via email at bellsharona@yahoo.com and will gladly try to answer any costuming questions.
