

## President's Message:

Welcome to the 1814 Commemoration Inc. website, home of the Battle of Plattsburgh 2020 Virtual Commemoration. It is a privilege to be able to present this new website featuring over six hours of newly edited videos, stories, music and historical photos and information about the events that took place in and around Plattsburgh and surrounding communities in the summer and fall of 1814.

From the ideas and vision of a few long time volunteers just a few short months ago to the unveiling of our new website today, 1814 Commemoration Inc. has emerged as the premier organization for the presentation of the historic Battle of Plattsburgh Commemoration.

All of this would not have been possible if not for the untiring efforts of our dedicated volunteers, continued support from the community and especially the financial commitment from all of our sponsors. I would especially like to thank Bruce Carlin owner of Carlin Media for his tireless efforts to get the website up and running in time for this year's commemoration.

Please enjoy the many viewing opportunities our website has to offer and continue to check back often as we will be premiering new videos every couple of days during the Commemoration.

Tom Donahue
