The Town of Plattsburgh was founded in 1785 on the shores of Lake Champlain and the Saranac River. Then a portion of the Town, the Village of Plattsburgh was chartered in 1815 and grew with industry and culture until it became the City of Plattsburgh in 1902. On this Battle of Plattsburgh Commemoration Weekend, we celebrate with the City of Plattsburgh our shared history. While we pause to reflect on the past, we look to celebrate a bright future ahead.

Our history runs deep, serving as a theater to the Revolutionary War's Battle of Valcour and the War of 1812's Battle of Plattsburgh. The Town of Plattsburgh is excited to be collaborating with the Clinton County American Legion to develop a Battlefield Memorial Gateway on the shoreline of Lake Champlain that will highlight this Triangle of History.

In the months and years to come, we look forward to this space offering an unparalleled experience and point of access to our rich cultural and military history that begins with the birth of our nation and continues to be written to this day. Excelsior!

In Celebration,

Michael S. Cashman  
Plattsburgh Town Supervisor
